# Samim Middey

WEB DESIGNER | FRONT-END DEVELOPER

## Summary

Versatile web designer and a front-end web developer adept at crafting visually stunning and user friendly interfaces. Proven ability to blend design aesthetics with seamless functionality, delivering visually appealing websites with optimal user experience. Collaborative team player with a proven record of transforming client visions into impactful online experiences across various devices.

## Experience

Jan 2023 - Present • Onqanet Technologies Pvt. Ltd.

### Web Designer

- Creative and appealing demo designing of modern user-friendly interfaces.
- Convert demo to HTML with pixel perfect accuracy and responsive design.
- Highly interactive, optimized, responsive and user-friendly web application development using React JS, with all the best React practices.
- Work closely with account managers, back-end team and marketing team to ensure products met client requirements and goals.
- Make design changes to existing websites and adding or removing features.
- Optimize websites for maximum speed and scalability, while also ensuring compatibility with various browsers and devices.

## Projects

- **Lilyvaly** • [lilyvaly.com](https://lilyvaly.com)
  - Modern e-commerce and prefabricated home web application, built using React JS, Material UI, Redux and various other technologies.
  - Planned out all the features with the team and single handedly created the front-end, while ensuring optimal user experience.
  - Includes features such as user authentication, searching, filtering, cart management, language translator, currency converter etc.
- **Onqanet** • [onqaweb.in/design0015/onqanet](https://onqaweb.in/design0015/onqanet)
  - Designed the demo of the new official website of Onqanet.
  - Converted the demo to HTML with pixel perfect accuracy, made it responsive and compatible across all browsers and devices.
  - Implemented the animations with GSAP library.
- **Laundry Near Me** • [onqaweb.in/design0015/laundry-near-me](https://onqaweb.in/design0015/laundry-near-me)
  - Laundry Near Me is an online laundry booking service platform.
  - Designed the demo and converted it to HTML, with responsive design and compatibility, across all browsers and devices.
  - Implemented the animations with Scroll Reveal library.

## Awards

- Winner of 'Best Newcomer of the Year, 2023' award.
- Winner of 2x 'Star of the Month' award.
