# Samim Middey

WEB DESIGNER | FRONT-END DEVELOPER

## Summary

Versatile web designer and front-end web developer, adept at crafting visually stunning, user-friendly interfaces. Proven ability to blend design aesthetics with seamless functionality, delivering astonishing websites with optimal user experience. Collaborative team player with a proven record of transforming client visions into impactful online experiences.

## Work Experience

Onqanet Technologies Pvt. Ltd.

Jan 23 - Present

### Web Designer

- Creative and appealing demo designing of modern user-friendly interfaces.
- Convert demo to HTML with pixel perfect accuracy and responsive design.
- Highly interactive, optimized, user-friendly website development using React JS.
- Work closely with account managers, back-end team and marketing team to ensure products met client requirements and goals.
- Make design changes to existing websites and adding or removing features.
- Optimize websites for maximum speed, scalability and cross-compatibility.
- Responsible for 70+ projects from scratch, including designing of websites and mobile applications, as well as website development.

## Standout Projects

Lilyvaly • [lilyvaly.com](https://lilyvaly.com)

- Modern e-commerce website and a custom home builder, built using React.js, Redux Toolkit, Material UI and various other technologies.
- Planned out all the features with the team and single handedly created the front-end, while ensuring optimal user experience.
- Includes features such as authentication, cart management, searching, filtering, language translator, currency converter, product comparison etc.

Onqanet • [onqanet.com](https://onqanet.com)

- Designed the demo of the new website of Onqanet Technologies Pvt. Ltd.
- Converted the demo to HTML with pixel perfect accuracy, responsive design and compatibility across various browsers and devices.
- Implemented the animations using GSAP, enhancing the user experience.

Royal Botanica • [royalbotanica.in](https://royalbotanica.in)

- A modern e-commerce website offering a wide range of beauty products.
- Designed the website and app demo to match client's requirements.
- Converted the demo to HTML with pixel perfect accuracy and responsive design, with compatibility across various browsers and devices.

## Awards

- Winner of **Best Newcomer of the Year 2023** award.
- Winner of 6x **Star of the Month** award.
